

# FUNDAMENTALS OF ENVIRONMENTAL EDUCATION

RESOURCE MATERIAL FOR ENVIRONMENTAL EDUCATORS  
EDITED BY ANU JOSE VENGAL  
EDITION - I

Addressing the need for an authoritative academic work to make sense of this rapidly growing subject and its multidisciplinary corpus of scholarly literature, 'Fundamentals of Environmental Education' is a venture from a group of enthusiastic professionals in science education.

Edited by a teacher educator who has been experienced in science education and research for over a decade, this collection embraces various topics to bring together the foundational knowledge of Environmental Education in a single volume.

This book covers the undergraduate syllabus of Environmental Education at different Universities in Kerala. 'Fundamentals of Environmental Education' is a comprehensive compilation of current topics in the field, which will equip the learners to understand the concepts well.

It is an essential repository of materials on Environmental Education and is destined to be valued by scholars and students as a vital one-stop pedagogic resource.
