INSTITUTIONAL DISTINCTIVENESS

1. Value based Learning

Value based curricular and co curricular activities are arranged periodically. Some of the programmes initiated for this are as under:

a) Ethics classes are arranged every week where one hour is set apart. Luminaries from various walks of life are invited to imbibe values through their life experiences.

Notable alumni and PTA members with high reputation are also invited for classes.

b) Value based short films and videos are prepared by students and screened in their internship schools.

c) Documentaries on various social issues are also prepared as part of their social commitment.

d) National/International seminars are organised every year on value based topics.

Through all the aforementioned activities, students become conscientised on the significance of values in their life.

2. Community based welfare programme

Teachers are social engineers and the purpose of any education is societal development.

Societal development programmes are arranged wherein students and faculties participate

collectively. The college plays an active role in this and offers all possible kinds of help to the community which are listed as under.

- a) Free tuition for poor students
