## **12 CREATION OF ONLINE TEACHING VIDEOS**

The first year students of social science prepared Social Science online class videos on various topics. It is an initiative to prepare the B.Ed. students to take online classes for school students and to equip them for new digital wave of education. A new you tube channel namely 'Titus Scaffolders' was created to upload all the online class videos and e- resources on the subject Social Science. We incorporate the online resources from Social Science Alumni members also and make it an innovative venture of the association.

## **CONCLUSION**

As COVID – 19 is spreading fast at an alarming rate, let us, the teachers and prospective teacher community, be enlightened to make the people before us lighten up. Let's face the difficulty and spread more light as what's the duty of a teacher to the society is always portrayed "THAMASOMA JYOTHIRGAMYA". As the Social Science association has completed another remarkable year in its journey, we take this opportunity to thank the god almighty for

all blessings showered upon us. We also thank the college management, our Principal Dr. Anitha Mathai, Dr. Suramy Mathai, the teacher – in- charge and all other college faculty members for their constant support and guidance. The success of the Social Science Association is the result of the enthusiastic participation and cooperation of its members. Once again by expressing gratitude to all, let me conclude the report. Thank you.
